Are you looking for a different alternative to the “same-old” fundraisers??

Let our staff at King Krunch Gourmet Brands help your school or organization. Although we are “the new kid on the block”, our gourmet products have been well received since opening our retail operations in October of 2016.

We offer UNIQUE products that are made locally...made right, right here in BROOKVILLE!

Choices are many! We will be offering various flavors of popcorn & seasoned pretzels; different types of hand-crafted chocolates; and the “well-known around town” WENDY-CAKES cupcakes.

So please consider KING KRUNCH GOURMET BRANDS for your next fundraising event!
